

SEPTA Honors Assemblyman Weisenberg

The Long Island Special Education Parent Teacher Association (SEPTA) gave Assemblyman Weisenberg their Distinguished Service Award. As a former special education teacher, the recognition was especially meaningful for the Assemblyman. Left, two members of the Long Island SEPTA present him with the award. On the left is Colleen Rappa, Co-President Harborfields SEPTA, and on the right is Mary Beth Palo, President of Watch Me Learn, which produces videos for developmentally delayed children.
